(Children under 12 years old are exempted from this requirement, if they travel with fully vaccinated parent(s) or guardian(s). The country, name and date(s) of vaccination must be clearly stated in English and/or Myanmar, with the particulars of the travelers according to their passport.)

- (b) a negative COVID-19 RDT test result issued at most 48 hours before arrival to Myanmar if the passenger is unvaccinated or not fully vaccinated

(Children under 12 years old are exempted from this requirement. The negative COVID-19 RDT test result and the date of the test taken [or] information regarding COVID-19 recovery must be clearly stated in English, with the particulars of the travelers according to their passport.)

2. Travelers shall present a printed copy of each document mentioned in the paragraph 1 to the respective health authorities at Myanmar-Thailand cross border PoEs upon arrival to Myanmar.

3. Travelers shall submit a Health Declaration Form to the respective Myanmar-Thailand health authorities upon arrival to Myanmar.

(A legal action will be taken against a traveler, if he or she provides any incorrect information in the Health Declaration Form.)

4. Travelers shall be subject to a thermal screening to be conducted by the respective Myanmar-Thailand health authorities, upon arrival to Myanmar.

5. Travelers shall be tested by RDT on COVID-19 at MOH and cross border PoEs authority approved COVID-19 Rapid Diagnostics Test (RDT) testing counters at their own costs. Travelers will be charged 15,000 MMK for testing. RDT testing shall be exempted for travelers who cross the border on day return visit of Myanmar-Thai Border.

6. Travelers may leave the PoEs after receiving their RDT test results showing negative for COVID-19 from the respective health authorities.

(The test results will take approximately one hour to be conveyed by the respective health authorities.)

7. Travelers shall be immediately isolated and taken to a medical facility or treatment center or hotel designated by the MOH as per health protocols, if they are tested positive for COVID-19 during the RDT test or they are found to be symptomatic of COVID-19.

8. Travelers shall report to the respective health authorities, if they have developed signs and symptoms of COVID-19 during their stay in Myanmar.

(Contact details of the respective health authorities can be obtained from the designated hotels.)

9. Before departure from Myanmar to Thailand, travelers may take COVID-19 tests, as required by the Kingdom of Thailand at laboratories designated by the MOH, at their own cost.

10. Foreign travelers will be responsible for the quarantine, laboratory tests and medical treatment cost at their own expense. Ambassadors and the international staff and family members working in the UN organizations in Myanmar will be allowed for Home Quarantine.

11. The travelers shall strictly follow the instructions made by the respective Myanmar-Thailand cross border PoEs health authorities. A legal action will be taken against the traveler concerned, if there is a breach of COVID-19 control regulations.

12. State guests or foreign delegates visiting Myanmar may seek exemptions from the above requirements by submitting a request letter to the Central Committee for Prevention, Control and Treatment of COVID-19, the Ministry of Foreign Affairs and the MOH, at least (5) working days prior to the date of arrival.

13. These requirements are subject to changes.

14. These requirements shall take effect from 19.1.2023/ 00:01 Hour Myanmar Standard Time.
